Review of marking for coursework or practical exams (such as Art, Drama, PE) is not offered by the awarding bodies.

Refunds are made if the overall SUBJECT grade goes up or down after a Review of Marking.

Please note unfortunately individual component grades are not easy to produce on results slips. It is possible for us to find out the breakdown by paper/component, but it is not straightforward so please only ask for your mark breakdown when your overall grade is of real urgent concern. Priority will be given to those with further education places in jeopardy and all other requests will be processed at the start of September. Overall subject grade boundaries can be found on the public websites of each examination board.

If unsure of which service to request, or fee required please contact kshern@imberhorne.co.uk in the first instance.
